Foreign Students in France

Advice to benefit from French Social Security and Top up Health Insurance in France

Advice to benefit from French Social Security

This must be done when you arrive in France, and after registering with your school or university.

First of all, register on the dedicated website:

www.etudiant-etranger.ameli.fr

Personal information : Name, Surname, Date of birth, Email address, Postal address, Phone number, passport number, residence permit or student visa, school certification, IBAN...

Create my personal access on Ameli website : download your certificate, ask for your Carte Vitale (social security card) ...
